

Schoolcraft PAC meeting met on Tuesday, January 11 at 6:00 PM at the Bemidji Health and Wellness Center

Members present were Sanya Swanson, Meghan Gulmon, Dacia Dauner, Shar Paquette and Geri Bang

We discussed our plans for the months ahead which include...

~ A family ski outing at Buena Vista on a Sunday afternoon - evening from 3:00 - 7:00 or 8:00. The price would be \$8 skiing, \$8 ski rentals, \$8 tubing and \$15 snowboard rentals. We discussed providing pizza, having a potluck or chilli, soup and sandwiches. We are still looking into what would work best for dietary restrictions and what could more easily accommodate a large number of people.

~ We are considering an event with Suzy and Hondo. They are open to teaching us all ball room dancing at a location of choice or would open their new business up to us for use. it would accommodate 100 people and we could have a potluck.

~ Francois is willing, once again, to offer another delicious bread making class. We are still working on a date for this...looking at March 26th

~ Winterfest will be on Feb. 25 this year. Schoolcraft PTO group will provide funding for the sleigh rides (and sled dogs).

~ We are working on a book exchange. Linda Simons will be coordinating it. Many of us have books laying around that have been read or are too young for our children and we would like to circulate these books and come home with some new ones. We will be able to drop the books off during the Winterfest or the week before and the book exchange will be during the March conferences.

~ Due to popular demand and a huge success last year, we will be having open mic/talent show at Brigid's Cross again this year. We are looking at April 17 from 4:00 - 7:00 or 8:00. So parents, teachers, faculty, alumni and students start preparing your talents now for this fun and exciting event.

Next meeting will be on February 8 at Brigid's Cross, 6 PM
