

## **Chromebook Orientation Night** **Required for ALL 6th-8th Graders & Parents**

Thursday, September 7<sup>th</sup>, 5 - 5:45 p.m.  
(*Before SLC Orientation Night*)

**OR**

Monday, September 11<sup>th</sup>, 6 - 7 p.m.

Schoolcraft Learning Community is pleased to continue the 1:1 Technology Program for all students in grades 6-8. All 6<sup>th</sup>-8<sup>th</sup> graders will have the opportunity to use a Chromebook for educational purposes at school and at **home**.

The focus of the 1:1 Technology Program at SLC is to provide tools and resources to the 21<sup>st</sup> Century Learner. The individual use of Chromebooks is a way to empower students to maximize their full potential. Learning results from the continuous dynamic interaction among students, educators, parents and the extended community.

In order to have a successful program, we are requiring that all parents and students attend one of the two **Chromebooks Orientation Nights** before receiving their Chromebook. During these sessions, we will discuss the details of the project.

We have instituted a \$50.00 security deposit, if you did not carry over last year's deposit OR if you are a new student, which will be returned in exchange for an undamaged Chromebook, case and power cord, at the end of the school year. If your family is unable to cover this cost, please contact us.
