Inside recess can be fun too!

Hello Families!

The celebration countdown has begun! Only three weeks to go! We are all working really hard to get our products finished up for the celebration. All vehicle groups are finished with their last commercial clip and have been practicing their lines. We have 1 or 2 more days of detail painting on our vehicles. Everyone is copying down their final draft or working on illustrations for our transportation writing. Stacy will be here next week to start recording and editing their commercials. Busy! Busy! Busy!

We've been working on adding two two-digit numbers using base 10 blocks (which consist of ones, tens, and hundreds blocks... and are manipulated/traded on a 1's/10's/100's mat.) We've been working on putting up to three-digit numbers in order from biggest to smallest and vice-a-verse. We haven't been skipping Daily 5 reading time, but we have not been introducing very many new strategies lately. I think it is better if we work on and refresh our minds of the ones we have right now before overloading ourselves with too many new ones.

Friday homework should be in their backpacks. It will be due next **Friday, May 7th**.

If you have any questions or concerns, please don't hesitate to contact me. I can most easily be reached via e-mail at: annamae@schoolcraft.org I can also be reached via phone by calling the main Schoolcraft number at 218-586-3284.

Thanks!!

AnnaMae

UPCOMING DATES TO REMEMBER...
